Good morning Howard,

Here is an update on this location.

The team went out to the location and found the burnt porta potty. The ECIs screened for any hazards and the crew removed the burned debris from the location.

Please see attached photos.

Hi Abraham,

Just received notification from Recs and Parks that this request has not been completed.

Can you provide an update if this location was cleaned. There were several emails requests from Recs and Parks as well as the CD to remove the burnt porta potty from thier property. The address is 12240 Archwood St, North Hollywood, CA 91606

Regards,

Hi Howard and Luis,

Hope this email finds both of you well.

CD2 received reports that at Valley Plaza Rec Center the portable bathrooms were lit on fire and melted most likely by homeless individuals. I've attached pictures for your reference.

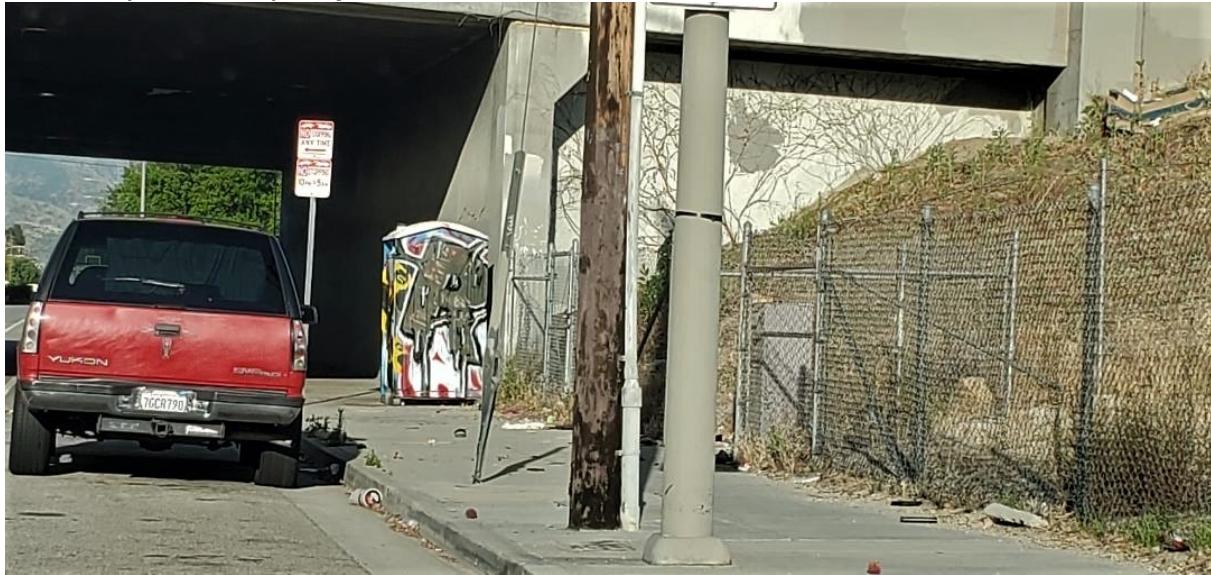

Do we need to schedule it for CARE or can it picked up aside from the CARE locations?

In addition, CD2 also reported that a portable potty located in Strathern/170 fwy is full of graffiti. Is there anyway we can replace it? Or can someone provide me the right contact person?

Thank you so much for all your help in advance!
